Premise: "Mummy discovers her expensive anti-aging night cream has been replaced with homemade curd by Dadi."

****INT. LIVING ROOM - NIGHT****

MUMMY (40s) walks in, aggressively patting her cheeks in upward circular motions, admiring herself in a handheld compact mirror.

DAUGHTER (18) sits on the sofa, scrolling on her phone.

MUMMY

(Puffed with pride)

Paris se special mangwayi hai chaar hazaar ki imported night cream. Kal subah dekhna, baees saal ki college girl lagungi!

Daughter stops scrolling. She aggressively sniffs the air, scrunching her nose.

DAUGHTER

Mummy, Paris ki ladkiyan munh pe lassi lagake soti hain kya?

MUMMY

(Offended)

Karela jaisi shakal wali, tujhe French aroma ki kya tameez? Lavender and botanical extracts hain isme!

DAUGHTER

Botanical chhod, mujhe toh tazi dahi ki booboo aa rahi hai!

Mummy halts. She sniffs her own palms. Her eyes widen in horror.

MUMMY

Yeh... yeh chehre pe sour cream jaisi
khushboo kyun aa rahi hai?!

Daughter picks up the fancy, gold-rimmed cream jar from
the coffee table. She peers inside, dipping a pinky
finger.

DAUGHTER

(Snickering)

Mummy, lavender gaya tel lene. Isme
toh raayi ka daana aur kadi patta tair
raha hai!

MUMMY

(Shrieking)

Kya?!

Enter DADI (70), walking with swagger, blissfully rolling
up the bottom of her salwar.

DADI

Chilla kyun rahi hai tinde jaisi
shakal wali? Ghar ko machhi market
bana diya!

MUMMY

(Thrusting the jar)

Mummy ji! Meri chaar hazaar rupaye ki
French anti-aging cream mein ghar ka
khatta dahi kisne bhara?!

DADI

(Innocently shrugs)

Maine bhara! Dabba kitna sundar tha,
sonpapdi ke dabbe se bhi mazboot!
Maine socha isme jaaman daal ke mast
dahi jamaungi.

MUMMY

(Hyperventilating)

Toh meri chaar hazaar ki cream kahan gayi?! Kahan phek di aapne?!

Dadi proudly lifts her foot and slaps both her knees with resounding thuds.

DADI

Ghutno pe ghis li saari! Subah se dholak jaise baj rahe the mere joint!

DAUGHTER

(Gasping)

Dadi! Aapne France ki anti-wrinkle cream ghutno pe ragad di?!

DADI

(Flipping her dupatta)

Aur nahi toh kya? Chehra dikhe bees saal ka aur ghutne chale assi saal ke... aisi langdi Pari ban ke kitty party mein thumke lagati kya?

Mummy clutches her chest, ready to faint from blood pressure.

MUMMY

Aapne meri chaar hazaar ki jawani apne ghutno mein masal di! Main munh dho rahi hoon!

Mummy turns to storm off, but Dadi instantly catches her wrist and shoves a katori of sugar into her hand.

DADI

(Audacious wink)

Oye, ruk! Dho mat, paap lagega! Thodi cheeni daal le gaalon pe, meethi lassi ban jayegi!

Dadi scurries toward the bedroom with lightning-fast agility as Mummy lets out a blood-curdling screech.
